

SERUGERI

DAL 1950

PROPONE

PANNELLI TRUCIOLARE NOBILITATO E LAMINATI

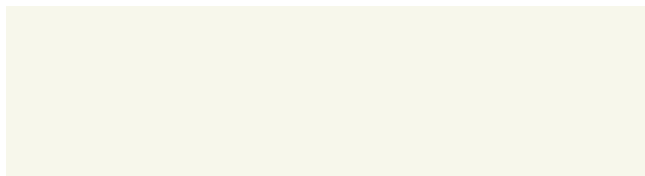

La vista incontra il tatto. Serugeri propone una selezione di 41 su 194 decori totali. Colori creativi e strutture delle superfici percettibilmente diverse che non pongono

limiti alla creatività. Decorì monocromatici, superfici speciali, particolari superfici Natural Touch, decorì effetto legno e di fantasia si combinano perfettamente tra loro per creare elementi di spicco autentici nella configurazione degli interni. E inoltre sono pratici, perché sono anche resistenti alla luce, all'urto e al graffio.
